RE: Year 10 Trial exams

Dear Parent/Guardian,

We are writing to inform you that your child will be completing trial GCSE exams from the week beginning 17th June until the week beginning 1st July. **Please find attached a copy of the timetable over leaf.**

This trial exam season will be completed in exam conditions in the sports hall to replicate a formal GCSE exam season. It is important that your child revises for these exams. Your child will be taught study skills during form time over the next two weeks and all teachers have uploaded revision materials onto the Showbie app on their I-pads. Your support in encouraging your child to revise is appreciated.

Attendance at school every day during the exam season is critical so that students do not miss any of their exams. Your child will be given a revision session before each exam begin so punctuality is also critical.

If you have any questions about the trial exam season, please get in touch with your child's House Leader in the first instance.

We would like to wish your child every success in the upcoming trial exam season.

Yours Sincerely,

Hannah Schapira
Deputy Headteacher
