

September 2018

Dear Parent

### **Price Increase 25<sup>th</sup> October 2018**

In line with our current contractual terms, I write to formally advise that we will be applying a price increase with effect from 25<sup>th</sup> October 2018.

Whilst we have sought to absorb the impact of increases to supply costs through ongoing discussions with our supply chains; to maintain the provision of service we do need to apply an increase to the cost of a main school meal.

### **Free School Meal Allowance**

The current allowance for a secondary school 'free school meal' within the Arthur Terry Learning Partnership is £2.20.

With effect from 25<sup>th</sup> October 2018, the 'free school meal' allowance will increase to £2.25.

### **Menu Tariffs**

The main meal price will increase from £2.20 to £2.25.

There will also be some marginal increases, and some decreases, to some of the selling prices of products sold within the school. A price list will be available in October which will be published on the school website.

Yours sincerely

**Tracey Hopson**  
Regional Manager – Chartwells
