Stockland Green School

21st May 2021

To All Year 11 Students

Dear Student,

I am writing to you today to express my congratulations on the five successful years that you have spent at Stockland Green School. Undoubtedly, there have been challenges to be bettered over those five years, especially in the unprecedented events of 2020-21. It is often said however, that difficult times bring out the best in people and I want you to be in no doubt that I believe that this is true of you, Year Eleven.

Your parents, teachers, pastoral team and support staff, as well as the leadership team and I are justifiably proud of the way that you have approached this uncertain and unusual period in your education. Your hard work and determination have impressed us all and will stand you in good stead wherever the future takes you. It is true that no other cohort of students has had to face circumstances like these. It is equally true that no other cohort of students is better equipped to face life beyond school thanks to the lessons in resilience, independence and responsibility that this last year has provided.

Current government guidance prevents us engaging in traditional end of school activities like the signing of shirts and taking photographs with friends and teachers. I would therefore ask you not to do these things on the last day of this term.

Instead, we would like to invite you to one final celebration of your time at Stockland Green School on Friday 25th June at 13:45pm. This will be an opportunity for a leavers' assembly, to see friends and teachers prior to the next chapter of your lives and to share some of your memories of your time with us. It will also be a chance to make one more happy memory at our school.

Hopefully, at this time, we will also be able to allow the signing of shirts and taking of photographs with classmates and staff. We would add that due to current social distancing requirements, the assembly will be for **students only**. School uniform will not be expected but you are welcome to demonstrate the style and elegance you would doubtless have exhibited at your prom.

If you would like to attend, please RSVP to adminteam@stockgrn.bham.sch.uk by Monday 21st June 2021.

Yours faithfully,

Mrs George
Headteacher
