Stockland Green School

Ref: 021-022-0034

11th November 2021

Dear Parent / Carer,

I am writing to inform you of some concerns regarding social media, specifically the platform Tik Tok. Please read the content below carefully and discuss it with your child. I would also urge you to take time to regularly monitor your child's phone, internet devices and any social media accounts that they may have.

We are aware of a current 'challenge' circulating on Tik Tok encouraging school students to make dummy accounts and post unpleasant content that vilifies teachers at their school. We are aware of one account that is currently targeting Stockland Green staff. This is happening in other Birmingham schools too.

We ask that parents/carers ensure their children know the seriousness of engaging with any such account and ask for parent/carer support in reporting any such account brought to their attention.

I must inform you that we will take a serious stance on any incidents of social media being used to impersonate, insult, or exploit any member of staff. Please be advised that we will be working with the Police on this matter.

Thank you for your ongoing support in working with us to keep children safe and in the important work that we all do to ensure that our children behave in a way that is safe, respectful, responsible and lawful.

Yours faithfully,

Mrs M. George
Headteacher
