27<sup>th</sup> March 2023

Dear Parents and Carers

I am delighted to inform you that the recent Ofsted inspection report from our two-day visit on the 14<sup>th</sup> of February 2023 to the 15<sup>th</sup> of February 2023 accompanies this covering letter. The report will also be accessible via the school website today and published on the official Ofsted website.

I am thrilled that the hard work, passion and drive of our children, staff and wider community has been recognised, including the comments regarding our inclusive approach, high standards and expectations encapsulated within our PRIDE values. The report also recognises the effective systems adopted in school which place children at the heart of all we do.

The report itself highlights the many elements of effective provision at Stockland Green School, as well as providing advice on the next steps needed to promote further progress. What is very satisfying is that the steps identified were already within our development plan prior to this inspection.

Please take the time to read the inspection report in full as it evidences a school that is not only good, but one that continuously strives to improve and excel in line with our school ethos: Aspire, Believe, Achieve.

I would have liked to highlight some areas of feedback, however there are so many positive areas identified, it would be impossible to choose just one!

As always, thank you for your ongoing support of our school family. I am incredibly proud of the students and staff at Stockland Green and will endeavour to ensure all continue to thrive in our next chapter.

Yours faithfully

Mrs R. Goode
