

'A' LEVEL CHOICE

'A' Levels will keep my options open for career ideas in the future. I will need to consider my choice of 'A' Levels and whether I will achieve the entry requirements for individual 'A' Level subjects. GCSE grades 5/6+ required.

I need to attend Open Events during the Autumn Term at School Sixth Forms and College 'A' Level Centre's that interest me and apply before their closing dates. (Check websites)

RESEARCH CAREER IDEAS

<https://careers.startprofile.com/page/my-interests>

I can research my current career ideas using occupational information on careers websites to find out more detail about the job role, skills, requirements, entry routes. This will help me to compare job roles and make an informed decision.

<https://www.prospects.ac.uk/jobs-and-work-experience/job-sectors>

<https://www.prospects.ac.uk/job-profiles/browse-sector>

<https://www.prospects.ac.uk/careers-advice/what-can-i-do-with-my-degree>

<https://nationalcareers.service.gov.uk/explore-careers>

www.icould.com

I can generate career ideas by trying a quiz on the following websites.

<https://careersquiz.complete-careers.com/>

<https://www.ucas.com/explore/career-compass> (Quiz)

<https://www.healthcareers.nhs.uk/FindYourCareer>

<https://www.aquestionofcare.org.uk/>

I can try out my ideas by completing a Virtual Work experience online.

<https://www.springpod.com/virtual-work-experience>

EXPLORE DEGREE INFORMATION

If I am considering higher education, it is worth considering my degree options so that I can choose the right further education course, 'A' Level subjects or training to meet degree entry requirements.

<https://www.ucas.com/explore/subjects>

<https://www.theuniguide.co.uk/advice/choosing-a-course/help-i-dont-know-what-course-to-choose-what-do-i-do>

CONSIDER 'A' LEVEL CHOICE

I will need to check Sixth Form and 'A' Level Centre entry requirements against my GCSE predicted grades. (If unsure, I can apply to college for a fallback option as well – BTEC or T Level).

To study Science or Math at 'A' Level, I would need to sit the GCSE higher papers in these subjects and pass with a grade 6+.

<https://www.theuniguide.co.uk/advice/a-level-choices/what-a-levels-do-you-need-for-the-degree-you-want-to-study>

<https://www.theuniguide.co.uk/advice/a-level-choices>

<https://www.theuniguide.co.uk/advice/a-level-choices/six-things-you-need-to-know-before-making-your-a-level-choices>

I can use an 'A' Level Explorer to see where my 'A' Level subjects could lead.
