Stockland Green School

Stockland Green School – Year11 GCSE Information Evening

Dear Parents and Guardians,

We hope this letter finds you well. As we approach a crucial phase in your child's educational journey, we would like to inform you about the upcoming GCSE Mock Examinations scheduled for the weeks commencing on **13th and 20th November 2023**. (Please see the attached). Please be aware that due to the length of different exams, some afternoon exams may finish later than 15:10. Your child will be dismissed from school as soon as their exams are finished in this instance. These mock exams will not only serve as valuable preparation for the actual GCSE exams but also as a diagnostic tool to identify areas where your child may need additional support.

We trust that you found our recent study habit session beneficial, and we are eager to provide you with even more resources to support your child's preparation. To that end, we would like to invite you to our upcoming GCSE Information Evening, which will take place on **Thursday, October 19th, from 16:30 to 17:30**.

During this informative evening, you will have the opportunity to meet with the heads of the English, Maths, Science, and Options departments. They will cover a range of topics, including:

1. GCSE Curriculum Structure.
2. Measuring Academic Progress.
3. Independent Learning Tasks.
4. Revision Techniques specific to each subject.
5. Coursework deadlines and moderations.

We believe that this evening will be a valuable opportunity for you to actively engage in your child's education and ensure they are well-prepared for the challenges ahead.

Please mark your calendars for the GCSE Information Evening on **October 19th**. We kindly request that you arrive and find your seat **before 16:30 as** we will start promptly.

We look forward to your presence and engaging discussions.

Yours faithfully,
Elnaz Javaheri

Head of Mathematics Department and Associate Assistant Headteacher
